Grand Knights Corner

Imagine you go to national rally for a cause you believe in, all goes well. until you are stuck waiting for the bus to arrive. The opposition is not content and wants to get the final word in. It does not bother you at first as you have been warned about this tactic and you continue to wait for the bus. Out of nowhere a strange man beating a drum infiltrates your group and invades your personal space. Fear paralyzes you and all you can think to do is to smile back and not back down. Someone in the crowd records a video of this encounter. The man leaves, the bus arrives, and you now have a strange story to tell you friends back home. The next day, some of your friends start texting you and informing you that you are all over the news and social media as the video goes viral as views increase by the minute. The response to the video is boarding on the line of Orwellian. Every-

one from the main stream media, teachers, Hollywood elites and some conservatives all gunning for you head. They are comparing you to Hitler and Nazism and even demon you a white supremacist because you wear a MAGA (Make America Great Again) hat. It takes two more days for the true story to unfold. Tweets are deleted as if they were never posted, no apologies are given from the media or other misinformed people but the damage is already done. Even when you have a chance to talk on national TV show you are asked if your hat could have triggered this response. You are also asked to explain the smile you have on your face during the encounter. But no matter what the response, you, your family, your peers and your community are still suffering from harassment and the constant threat of violence.

As a Catholic we are now under constant attack. Our Christian beliefs are continually beat down as we are told that they are not welcome in this new, progressive age and that what is fair or just has taken on a whole new definition. Brothers be wary of stories that seem to attack our beliefs, wait till all the evidence is released and digger deep to find the truth. We as Christians must continue to push back and remind those with opposing views that this country was founded on Judeo Christian beliefs. These beliefs are at the core of the US Constitution as we believe that all men are created equal.

Form 10784

At the midyear convention, all the Grand Knights were introduced to a new form number 10784. This form must be completed after all events by the chairman. The form will be a good way for the council to remember what events took place, the number of knights who participated. The hours they spent on planning and the

cost. It will also identify how the program was advertised i.e. Church bulletin, council newsletter or pulpit announcement.

It will ask if your council is in compliance with the Safe Environment Program.

It asks How Successful Was the Program.

It gives you a space to describe the event and suggest any corrections for the next time.

It must be signed by the Grand Knight and Program Director

Faith in Action

In keeping with the theme of the Supreme councils Faith in Action, several new programs have been instituted. We have had the Dedication of the Holy Family and the Novena for Life.

To come is going to be a Saturday four hour retreat to be announced later the fraternal year. More programs will be coming.

Every month on the second Sunday, we gather in the chapel to say the rosary after the 9:00 am Mass. This is open to all

who wish to attend especially the knights.

Considering the number of people who attend the 9:00 am Mass, we only get between 8 and 12. This is a poor showing. It takes less than 15 minutes to say the rosary. With all that is going on in the world around us and our country, we need all the help we can get.

If you will recall in the First Degree, you promised to pray the rosary as often as you could. Please make an effort to

attend this month's rosary. It would be great to fill up the chapel.

Pancake Breakfast

Don't miss out! The council's next pancake breakfast will be held on February 3, 2019, after the 9:00 am Mass.

This is a wonderful time to meet and greet your fellow parishioners on a social level. Get to know the person who sits next to you in church. What better way to start a new chapter in your life with someone of your faith.

If you have not volunteered to work at the breakfast, more members are needed to round out some of the teams that setup, cook, serve, and cleanup.

Are You Doing Your Part?

State Raffle tickets have been sent to all knights of record. Everyone was sent 5 tickets to be sold. This is a small request if you are a knight. The raffle proceeds give the council the monies to carry on the charitable works we are known for.

Remember, the council gets to keep have the cost of the tickets provided we turn them in on time.

Last year we were able to fund

many charities with some of the money from the tickets.

Some examples are: RSVP [Seminarians], LAMB [council gave money from the general funds], Sacramental Gifts [Rosary to 1st Communion, RCIA Candidates], Flags for the Church, and money for security products for the parish campus. There are many, many more items too numerous to list.

The council can't run itself on the dues collected. Dues do not keep the doors open. So, it is asked again "ARE YOU DOING YOUR PART?"

District Deputy Report

Congratulations to Dan Camia's Council 939, who collected more program awards than any other at State's mid-year meeting. Council 939 won four different Program Awards. Two were First Place and two for honorable mention. The Piedmont Council won the awards, by providing program information to the State Council.

St Pius X Council members worked hard all year, but they didn't receive even a single award.

All Program Directors should be aware that they can submit a brief Description to the State Council to receive recognition for your hard work. I hope that each of you will consider submitting a write up of your best program held during September 1 to February 28 in each of the program areas: Faith, Community, Life, Family, LAMB and Membership.

The submission deadlines are Feb 28 and Aug 31. Here is the

direct link to the Award website:
